

Thank you for choosing my Mandala Coloring Book featuring my own original and unique hand drawn mandalas.

You'll find 50 B&W Illustrations in this coloring book with the backside blank to help prevent bleed through.

I also recommend using an additional blank piece of paper (or card stock) behind the page you are coloring on just to make certain there's no bleed through when using markers.

I truly hope you enjoy this book and I look forward to seeing your coloring pages when completed. You can reach me through my website AndyMorrisArt.com
